

The top section of the advertisement features a composite image. On the left, a framed picture shows a traditional wooden coffee pot (dallah) pouring coffee into a small pot on a stove, with a bright sunburst effect behind the pot. To the right of this frame are three Dallmayr coffee machines mounted on a wooden cabinet. The machines are black and silver, with digital displays and buttons. The cabinet has wooden doors and drawers. In the background, a modern office interior with large windows and a city skyline is visible.
