

AECI FOOD & BEVERAGE IS THE EXCLUSIVE REPRESENTATIVE FOR LEADING INTERNATIONAL MANUFACTURERS AND SUPPLIERS OF SPECIALTY INGREDIENTS, OFFERING PRODUCTS AND SERVICES INTO THE FOOD & BEVERAGE INDUSTRIES.

With a wide range of many different ingredients being supplied into the Dairy, Bakery, Meat, Beverage and Commodities markets, the Health & Nutrition division offers an extensive product range. It is important to stay abreast of the trends sweeping the globe, so we source ingredients in line with these trends.

Our main focus is the Protein industry, with animal and plant based protein offerings. Gut-health and overall health are big trends, where we can offer different fibers, vitamins, collagen and most of the herbal and botanical ingredients.

Branded and specialised ingredients with clinical studies are also offered, so you can be ensured of high quality ingredients.
