ABOUT US

The journey of Adinath Agro Processed Foods Pvt. Ltd began in the year 1989, with the promoters' first venture into the domain of food processing, using the moniker of Adinath Food Industries. Adinath Food Industries continues to be a part of the Adinath Agro family since September 2013. Adinath Agro Processed Foods Pvt. Ltd is a privately held company which is primarily involved in the field of processing, marketing and exporting of assorted processed food products. After a presence spanning over three decades, consistently superior quality of products and excellent customer service, Adinath Agro has made a place for itself in the hearts of numerous Indians, with its brands Surabhi and WINN emerging as two of the leading brands for processed fruit and vegetable products.

OUR PHILOSOPHY

At Adinath Agro, we follow a dedicated philosophy to produce premium quality products in the industry and to develop and maintain long term relations within the markets. By embracing and implementing this philosophy, Adinath Agro is rapidly becoming a household name in processed food and vegetable products in India. FACILITY ENHANCEMENT

Adinath Agro has developed a new, state of the art manufacturing facility nearby at Kolvihere, which has resulted in a two fold increase in the capacity of Tomato Ketchup and Sauces product lines. This was achieved by setting up an automatic plant of 4 MT/Hr, for which Adinath Agro had acquired 33 acres of Industrial land.

The company has also set up an additional backward integration plants for -

- **Tomato Puree (Concentrate)** having a processing capacity of 6 MT/Hr
- **Wet Grinding Lines** of 1.5 MT/ Hr
- **Spice & Flour Mill** of 0.5 MT/ Hr

These capacity expansions will enable the company to carry out strict quality control on input of finished products and have a higher finished product capacity, enabling us to spread out our sales and marketing network in other regions of India. Additionally, the company will also place focus on export.
